

Dear Banana Moon Families,

As we begin a new term, we’re excited to share something special that’s coming to life across Banana Moon.

You may already recognise Moon, our much-loved Banana Moon character. This year, you’ll begin to see Moon play an even more meaningful role as the heart of our curriculum, helping guide children through their learning journey with curiosity, kindness and plenty of fun along the way.

Learning and Growing with Moon

Through playful experiences and exciting adventures, Moon will encourage children to explore, ask questions, solve problems and celebrate their achievements.

Whether they’re discovering something new, building their independence or growing in confidence, Moon will be there to make learning engaging and meaningful while encouraging every child to shine in their own unique way.

You’ll begin to see Moon become a more familiar part of your child’s nursery experience, appearing throughout our curriculum, learning resources and activities and helping children make connections as they learn and grow.

Meet Moon!

We’d love for you and your little one to get to know Moon a little better.

And this is only the beginning! Over the coming weeks, Moon has some exciting new adventures, and a very special friend, to introduce to our Banana Moon families.

We can’t wait to share what’s ahead.

Every child has their own light to share. Together, we shine brighter.
